In Re: Docket No. 2020-162-T - Application of Modern Day Movers, LLC for Class E (Household Goods) Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier

Dear Mr. Matthews:

On July 15, 2020, Modern Day Movers, LLC ("Modern Day Movers") filed an application with this Commission for a Class E (Household Goods) Certificate of Public Convenience and Necessity. To date, your company has failed to comply with the publication requirements of the Commission's rules and regulations.

Per the Commission's July 21, 2020 letter, Modern Day Movers was to publish at its own expense, on or before August 6, 2020, the Notice of Filing in newspapers of general circulation one time and provide proof of publication on or before August 27, 2020. To date, the Commission has not received proof of publication. If proof of publication is not received from your company by September 7, 2020, this Docket will be presented before the Commission for dismissal.

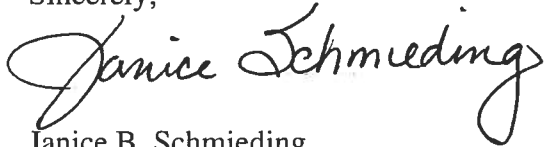

In the event that Modern Day Movers has not yet published the Notice of Filing as outlined in the Commission's July 21, 2020 letter, your company must request an extension of the publication requirements no later than September 7, 2020.
